MEMORANDUM FOR: Executive Director

FROM:

Director of Central Intelligence

SUBJECT:

Language Capability

At a PFIAB meeting as soon as possible there should be a briefing on language training, language reserves and the whole question of language capability in CIA, in the Community, and in the nation, including the relationship of our language activity to that of NSA, State and the military, the interplay between them, etc. Senator Schmitt, a new member of the PFIAB, is keenly interested in this, particularly in the idea of creating a language reserve and PFIAB in general should know something about where we stand on language capability and the progress being made in improving it.

William J. Casey
